

Boy's Soccer, May 4th

On May 4th, the Boys' Soccer Team played a well-matched game against Glendale. It took place on home field, at 4:00. The weather was warm enough, as the sun teased us from behind clouds, and there was quite a crowd of onlookers, from both teams alike. Jon V. scored the first goal for Guido minutes into the game, but soon after the score was evened by Glendale. Guido then scored again, but this goal was not counted, as the ball had touched someone's hand. Both teams played well, with tumbling saves from both goalies and many chances to score.

Shortly into the second half, Glendale scored again, bringing the score up to 2-1 for Glendale. Glendale played well, with good control, passes and powerful kicks, but Guido put up a strong fight, playing great defence and not allowing anymore goals. The Guido team also had some good time at the net themselves. Our team took many spills; Steve B. performed back-flips and was slammed in the face with a close hard shot, and Nathaniel S. was knocked over. Our players were also very chivalrous, helping up the Glendale team members when they tripped or fell. The Guido Gryphons put in a good effort and played hard, but they couldn't pull out the win. The final score was 2-1 for Glendale.
