Win for Guido Gryphons

Oooooohhhh–three-two-one- Gryphs!!! April 27 was the home game against Sherwood for the boys' soccer team. The wind was frigid but the sun shining as the Guido Gryphons started their game. Almost immediately, our team made a couple of shots. The rising tension was released through whistles and shouts from devout fans as Sheldon W. scored the first goal. Jon V. soon followed with the second! The Guido goalie was shivering in the cold due to the lack of action on his side.

A questionable call made by the referee, however, allowed Sherwood to score on an unfair breakaway, much to the disappointment of our exceptional goaltender. It was said by a player to be a `cheap goal.` Our team played very well – it seemed as if every 30 seconds we were cheering because of our dominant defensive skills, which were clearly shown throughout the game. The Gryphons faced great adversity in the second half when a Sherwood player sent Jon V., a star player, to the sidelines with an injury; however, he was back up before the game ended. Guido was strong as the team strived for the win towards the end of the game. Lots of intense action, fancy footwork, and unrelenting determination by our forwards brought us the final result – a clear 2-1 win for Guido Gryphons.
