Guido Boys Soccer Team Does it Again

Guido Gryphons were ready to go at full speed for their Thursday soccer match versus Churchill High School and this showed in what they brought to the field. The team was all-systems-go from the first whistle to the last, out kicking, out passing, and out running the other team. With the ball dominantly in the opponent's end, Guido maintained clear control of the game at all times. Our offense's flawless ability to pressure the Churchill goalie and our defense's impeccable capability to keep the opponents at bay resulted in an effortless 4-0 win for Guido.

With goals scored by Bryan V, Justin V, Sheldon W, and Gavin V, the game was both entertaining and enjoyable to watch. The fans had signs *GRYPHONS FOR GOLD* –will we see gold become a reality? If the team continues to play as they did against Churchill, the outlook sure looks promising. Go Gryphs Go!
