

Community Service Program

Introduction

All students must complete a minimum of 40 hours of volunteer community service before they graduate. These 40 hours can be completed at any time that they are enrolled at Guido. This requirement must be completed before they can be granted their Ontario Secondary School Diploma. The main responsibility for organizing the program and making the required contact lies with the student and the parents. The purpose of this new government-initiated program is to encourage students to develop awareness and understanding of civic responsibility and the role they can play in strengthening their local communities.

If students do not earn a minimum of 40 hours, they will not attend Commencement or receive their graduation diploma. Students and their parents must make sure that they;

- -complete the required number of hours;
- -make sure that they follow the criteria described below of activities that are eligible.

At the annual Commencement a special recognition is given to the grade twelve student who has accumulated the most volunteer hours. You are therefore encouraged to record all your hours.

** Deadline for consideration of award is May 15th. Deadline for submitting hours is June 1st. **

Procedure

1. The required forms are available in the main office and on our website.
2. Students and their parents are to find a proper activity, and fill in the form
3. The form must be signed by the person supervising the activity, a parent and the student.
4. When the forms are handed into the office, the principal checks them to determine if the activity is eligible.
5. If approved by the principal, the hours are added to the student records and an update is provided with each report card.
6. If a student and his parents are not sure if an activity will meet the criteria, they should contact the principal for clarification, before participation in the activity.
