RENTAL POLICY (updated 2019)**

1. Persons or groups using the field of Guido de Bres Christian High School assume full responsibility for the proper supervision of any activity they conduct there, and are solely responsible for any claims arising out of their improper supervision, or arising in any other manner, as applicable to facilities, equipment, etc.
2. Rental of the field limits the use of the school facilities and equipment **to the field area only**. Use of any other part of the school is not part of this agreement and is therefore prohibited.
3. The Board is not responsible for personal injury or damage, or for the loss or theft of personal effects or equipment belonging to the applicant. This applies also to any person attending on the invitation of the applicant. The Board accepts no responsibility for equipment left on the field by the renter.
4. The Board of Guido de Bres reserves the right, through its representatives, to close any function for failure to observe proper conduct, or failure to comply with any of the listed regulations.
5. Rental of the field to minors will be arranged only after the proper supervision by an adult is guaranteed.
6. All Guido-related activities shall override all uses of the field by outside or fundraising groups.
7. Smoking is prohibited at all times on the school property.
8. The contact person for the group will receive a key for the east-end gate (near the parking lot). This gate must be locked at the end of each rental session. The key must be returned to the school once the rental agreement expires.
9. In the event of wet weather (**determined by any amount of rainfall in the 24 hours preceding scheduled time of use**) the contact person must get in touch with Tim Wildeboer (905-385-8056) in order to receive permission to use the field.
