- Q.** Do I keep the same amount of control that I have when I write cheques?
- A.** Certainly. In fact, termination can be started after a phone call. The bank needs one to three weeks to process the change.
- Q.** What about the dollar amount? How can that be changed if the fee structure changes or my own financial means change?
- A.** The amount of donation or dues can be changed easily by notifying your local treasurer.
- Q.** What is the main benefit to Guido?
- A.** The school will receive regular operating funds deposited directly into the main account. Traceability of donations is easy and receipt writing is fully recognized.
- Q.** What is the main benefit to the donor?
- A.** Besides becoming a very regular supporter, you have a fully recognized and unbroken record for tax receipt purposes.
