

Pre-payment parking can take place but you would have to complete the transaction on Saturday, September 30, 2017 for the permit to be valid. McIntyre Centre is trying to get something setup for earlier purchase instead of just the day-of option.

Below are directions for “day of” pre-pay parking which can be done prior to arriving on campus online to try to avoid lines at the payment machines.

- Click Visitor or Temporary Parking
- Select Other Permit Types **(NEXT)**
- Scroll down to select permit type “Daily Saturday (\$5.31)” **(NEXT)**
- Add Vehicle Information (Licence Plate, vehicle make, vehicle model, body type) **(SAVE) (NEXT)**
 - o Message will be displayed “This permit will be active from 9/30/2017 to 9/30/2017” **(NEXT)**
- Agree to Terms (which mention parking only available in P5-P8, but this is not true, you may park anywhere on campus as it is a weekend (same as evening parking regulation mentioned in Terms) **(ADD PERMIT TO CART)**
- Continue to follow through with the remainder of the payment to complete permit purchase
